

Canoe Cove Community Association

2019-2020 Annual report.

Introduction

Looking back at the events of 2019-2020 was an interesting exercise as always, but especially so this year when viewed through the lens of our current Covid 19 situation. The cancellation of travel and events will have a lasting impact for everyone not least on small businesses, however I am reminded daily of how lucky we are to live here. In time we will return from a “new normal” to just “normal”, and the community events will return with even more enthusiasm, for now we are doing our part to slow the spread and eagerly waiting for our chance to get together.

Activities

Winter Sleigh Ride –held at Potts Farm in February 2019. This was a great success despite having been postponed.

Perennial Sale – This was held in June and was once again one of the highlights of the spring

Rhubarb Social was held in June and was very successful as always.

The Strawberry Social this year was a combined event with the Women’s Institute, we split the income between the two groups.

Living Nativity – Chrys and Doreen once again provided a great event.

For our 2019 AGM we held a pot luck.

In Winter 2020 we held our last event which was a Sleigh ride.

ByLaws

We reviewed the Bylaws in 2019 and It was agreed that since there were no substantial changes the Bylaws would not be amended.

We also reviewed the need to hold meetings in the winter and a new schedule of less meetings over the winter was adopted.

Building

There were a few improvements to the School this year including new insulation installed in the basement and a new door for the side entrance, also we have planted a Christmas tree in the front of the school instead of cutting one for every year.

Due to the Covid-19 Pandemic, all social events are suspended until further notice.
