5. Business arising from minutes:

Building Maintenance –

5.1 Oil Tank – We need to get this emptied and removed. Due to licensing issues, it was moved by Mari that we hire a certified plumber to remove the tank. Seconded by Ellon, carried.

5.2 Basement Concerns – there are holes in the basement wall that need to address, both Mari and Steve will see whether we can find anyone that could repair the damage.

5.3 Lawn seed – it is not clear whether Mark did the reseeding.

5.4 Flagpole – Ben is going to speak to his employer to see whether they would donate a fiber glass aerial that we can use as a pole

6. New Business/ Future Events

We had talked about a celebration of 200 years in 2020 but that had been abandoned due to Covid. Donna has suggested that we get together all the students who were schooled at the schoolhouse and still live in Canoe Cove. JoDee suggested writing an article on it. Donna would like a photo and we could tie it in with a celebration in the Fall. Donna will reach out to Lillian and form a committee. Ellon suggested we do a time capsule.

Ellon suggested that we reach out to Doreen Jenkins to see whether she would be interested in us marking reconciliation day with the Mi'kmaq community somehow at the schoolhouse. She will speak with Doreen and let us know.

We had spoken regarding a Donation board. Gina suggested that she add it to the website, this was agreed.
